

Individual And Family Services Function

D. Individual And Family Services Function: This function involves efforts to support the economic, social, and physical well-being of the individual and/or family.

40XXXXX, Disease Research, Prevention And Control Subfunction: Efforts to support the well-being of the individual and/or family through research on, prevention of, and control of diseases.

4010000, Disease Carrier and Vector Control: Efforts to prevent and control disease by controlling disease carriers and breeding areas.

4010100, Financial Assistance to Mosquito Control Commissions: Efforts to provide financial assistance to local mosquito control commissions.

4010200, Vector Control: Efforts to prevent and control disease by controlling disease carrying rodents and insects.

4019900, Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

4020000, Emergency Medical Services: Efforts to provide emergency medical services, including communications, training, coordination, and licensing of emergency transportation personnel.

4020100, Emergency Medical Services Systems Development and Coordination: Efforts to plan, develop, and coordinate emergency medical services and to provide licensing of emergency personnel, training, and related emergency transportation activities.

4020200, Emergency Transportation and Services: Efforts to provide licensing of emergency vehicle personnel, training, and related emergency transportation activities.

4020300, Financial Assistance to Volunteer Rescue Squads: Efforts to provide financial assistance to local volunteer rescue squads and other emergency medical services organizations (as defined in §32.1-115, Code of Virginia).

4029900, Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

4030000, Medical Examiner and Anatomical Services: Efforts to provide medical examiner and anatomical services.

4030100, Anatomical Services: Efforts to provide cadavers for scientific study.

4030200, Medical Examiner Services: Efforts to provide the services of the medical examiner.

4039900, Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

4040000, Vital Records and Health Statistics: Efforts to provide vital records and health statistics for research and evaluation.

4040100, Health Statistics: Efforts to provide health statistical data and information.

4040200, Registration Services: Efforts to collect, store, and distribute vital records, e.g., birth, marriage, death, etc.

4049900, Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

4050000, Communicable and Chronic Disease Prevention and Control: Efforts to promote physical health through the prevention and control of communicable and chronic diseases.

4050100, Cancer Prevention and Control: Efforts to prevent and control cancer.

4050200, Immunization Services: Efforts to prevent and control communicable disease through immunization.

4050300, Tuberculosis Prevention and Control: Efforts to prevent and control tuberculosis.

4050400, Venereal Disease Prevention and Control: Efforts to prevent and control venereal disease.

4050500, Epidemiological Services: Efforts to provide epidemiological services so as to prevent and control communicable diseases.

4050600, Acquired Immune Deficiency Prevention and Treatment Services: Efforts to prevent and control Acquired Immune Deficiency Syndrome (AIDS). [Eff. 7-1-89]

4050700, Technical Assistance and Support for Prevention and Control of Communicable and Chronic Diseases: Efforts to provide technical assistance and support for local public health services. [Eff. 7-1-93]

4050800, Financial Assistance for Health Prevention and Promotion: Efforts to provide health education, promotion, and prevention services to local or regional entities. [Eff. 7-1-93]

4059900, Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

4060000, Health Research, Planning, and Coordination: Efforts to promote the public health through research, planning, and coordination of services and activities (excluding higher education research).

4060100, Mental Health Research, Planning, and Coordination: Efforts to promote mental health through research, planning, and coordination.

4060200, Mental Retardation Research, Planning, and Coordination: Efforts to reduce the incidence of mental retardation through research, planning, and coordination.

4060300, Physical Health Research, Planning, and Coordination: Efforts to promote physical health through research, planning, and coordination.

4060400, Substance Abuse Research, Planning, and Coordination: Efforts to reduce the incidence of substance abuse through research, planning, and coordination.

4060500. Health Resources Development: Efforts to carry out the provisions of the Certificate of Public Need Law, to control the distribution of federal funds (available under Title XVI, P.L. 93-641) for modernizing and developing health facility capabilities and to develop a Statewide medical facilities plan.

4060600. Health Policy Research: Efforts to promote public health through research and development of effective policy. [Eff. 7-1-92]

4069900. Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

4070000, Financial Assistance for Health Research: Efforts to provide financial support for health research from the Commonwealth Health Research Fund. [Eff. 7-1-98]

4070100. Administration Services: Efforts to administer the Commonwealth Health Research Fund. [Eff. 7-1-98]

4070200. Grants for Health Research: Efforts to provide financial assistance for health research. [Eff. 7-1-98]

4190000, Administrative and Support Services: Efforts to provide overall administrative and logistical support services.

4190100. General Management and Direction: Efforts to provide administrative management and direction.

4190200. Computer Services: Efforts to provide automated data processing services.

4190300. Accounting and Budgeting Services: Efforts to provide accounting and budgeting services.

4190400. Architectural and Engineering Services: Efforts to provide architectural and engineering services for an institution or university hospital.

4190500. Collection and Locator Services: Efforts to locate individuals for the purpose of collecting funds for support payments, delinquent accounts and/or other monies owed to the Commonwealth.

4190600. Filtration and Treatment Plant Operation: Efforts to operate and maintain filtration and treatment plants.

4190700. Food and Dietary Services: Efforts to provide food and dietary services to patients, prisoners, and students in an institution or university hospital (excluding higher education institutions).

4190800. Housekeeping Services: Efforts to provide housekeeping services for patients confined to hospitals or sanitariums.

4190900. Linen and Laundry Services: Efforts to provide laundry services for prisoners, and students in institutions (excluding higher education institutions) and linen services for patients confined to hospitals or sanitariums.

4191000. Medical and Clinical Services: Efforts to provide medical and clinical support services in an institution or university hospital (excluding higher education institutions.)

4191100. Medical Management and Direction: Efforts to provide medical management and direction for hospitals and sanitariums.

4191300. Nursing Management and Direction: Efforts to provide nursing management and direction for hospitals and sanitariums.

4191400. Personnel Services: Efforts to provide personnel services.

4191500. Physical Plant Services: Efforts to operate and maintain physical plant facilities.

4191600. Planning and Evaluation Services: Efforts to provide planning and evaluation services.

4191700. Power Plant Operation: Efforts to provide, operate, and maintain power plants (for institutions and university hospitals which accrue specific costs outside of physical plant services, excluding institutions of higher education).

4191800. Procurement and Distribution Services: Efforts to provide procurement and distribution services.

4191900. Public Information Services: Efforts to provide public information services.

4192000. Records Retention and Word Processing Services: Efforts to provide records retention and word processing services.

4192100. Recreation Services: Efforts to provide active and passive recreational services, including the operation of activity centers for patients, prisoners, and students in institutions or university hospitals (excluding higher education institutions).

4192200. Residential Services: Efforts to provide residential (houseparents, cottage supervisors, or halfway house supervisors) services in institutions (excluding higher education and correctional institutions).

4192300. Security Services: Efforts to provide security services to facilities and grounds for institutions and university hospitals (excluding higher education and correctional institutions).

4192400. Teacher Management and Direction: Efforts to provide teacher management and direction for an institution or university hospital.

4192500. Training and Education Services: Efforts to provide training and education to state employees.

4192600. Transportation Services: Efforts to provide transportation services to patients, prisoners, or students in institutions or university hospitals (excluding higher education institutions).

4192700. Vessel Operation Services: Efforts to operate and maintain research vessels and similar watercraft.

4192800. Grant and Loan Administration: Efforts to administer grant and loan programs.

4199900. Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

42XXXXX, Detection, Diagnosis And Treatment Subfunction: Efforts to improve the physical and mental well-being of the individual and/or family through the detection, diagnosis, and treatment of illness.

4200000, Special Health Improvement and Demonstration Services: Efforts to provide special health improvement and demonstration services of a temporary nature.

4200100. Pilot and Demonstration Services: Efforts to provide special health improvements through pilot and demonstration services.

4200200. Research and Demonstration Services: Efforts to provide health improvements through research and development services.

4209900. Other Services: Efforts not specifically described in the previous subprogram(s) but which relate directly to the program described. (This program may be used only with the prior written approval of the Department of Planning and Budget.)

4300000, State Health Services: Efforts to provide direct health care services to individuals and families through state-operated facilities.

4300100. Alcohol Abuse Services: Efforts to provide detection, diagnosis, and treatment in a domiciliary setting of individuals who abuse alcohol, and to provide adjustment services to their families.

4300200. Child Development Services: Efforts to provide specialized child development services.

4300300. Children's Specialty Services: Efforts to provide specialized services for crippled children.

4300400. Drug Abuse Services: Efforts to provide detection, diagnosis, and treatment in a domiciliary setting of individuals who abuse drugs, and to provide adjustment services to their families.

4300500. Family Planning Services: Efforts to provide specialized family planning services.

4300600. Geriatric Care Services: Efforts to provide detection, diagnosis, and treatment services to the aged needing mental and physical health care in a domiciliary setting in state geriatric centers.

4300700. Inpatient Medical Services: Efforts to provide detection, diagnosis, and treatment services to patients needing physical health care in state-supported hospitals.

4300800. Maternal and Child Health Services: Efforts to provide maternal and child health services.

4300900. Mental Health Services: Efforts to provide detection, diagnosis, and treatment of mental illness to patients in a domiciliary setting.

4301000. Mental Retardation Services: Efforts to provide detection, diagnosis, and treatment of mental retardation to patients in a domiciliary setting.

4301100. Outpatient Medical Services: Efforts to provide detection, diagnosis, and treatment services to patients needing physical health care through state hospital clinics and emergency rooms.

4301200. State Health Services Technical Support and Administration: Efforts to administer the State Health Services program and provide technical assistance to support program services. [Rev. 7-1-93]

4309900. Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

4400000, Community Health Services: Efforts to provide health care services to individuals and families through community-based services.

4400100, Alcohol Abuse Services: Efforts to provide detection, diagnosis, and treatment of individuals who abuse alcohol, and to provide adjustment services to their families through community-based alcohol abuse services.

4400200, Dental Health Services: Efforts to provide detection, diagnosis, and treatment of dental health problems through community-based dental health care services.

4400300, Drug Abuse Services: Efforts to provide detection, diagnosis, and treatment of individuals who abuse drugs, and to provide adjustment services to their families through community-based drug abuse services.

4400400, Environmental Health Services: Efforts to protect the health of the general public through community environmental health services.

4400500, Family Planning Services: Efforts to provide community health services for family planning.

4400600, General Medical Services: Efforts to provide detection, diagnosis, and treatment of illness and injuries for outpatients.

4400700, Health Support Services: Efforts to provide medical support services such as laboratory, pharmacy, and x-ray services in local health department operations.

4400800, Home Health Care Services: Efforts to provide health care services to individuals and families in their places of residence.

4400900, Local Administrative Services: Efforts to provide administrative and logistical support services for community health services.

4401000, Maternal and Child Health Services: Efforts to provide community health care services for maternal and child health.

4401100, Mental Health Services: Efforts to provide detection, diagnosis, and treatment of mental illness through community-based mental health services.

4401200, Community Health Services Technical Support and Administration: Efforts to administer the Community Health Services program and provide technical assistance to support program services. [Rev. 7-1-93]

4409900, Other Services: Efforts not specifically described in the previous subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

4450000, Financial Assistance for Health Services: Efforts to provide financial aid to localities for the provision of local health services.

4450100, Substance Abuse Services: Efforts to provide financial aid to local community service boards for implementing substance abuse services. [Rev. 7-1-93]

4450200, Drug Abuse Services: Efforts to provide financial aid to local community service boards for implementing drug abuse services.

4450300, Local Administration Services: Efforts to provide financial aid to local community service boards for administration of mental health, mental retardation and substance abuse services.

4450400. Medical Facilities Construction Services: Efforts to provide financial aid to localities for constructing, remodeling, or expanding health facilities in accordance with the Hill-Burton Act.

4450500. Medical Health Services: Efforts to provide financial aid for medical health services.

4450600. Mental Health Services: Efforts to provide financial aid to local community service boards for implementing mental health services.

4450700. Mental Retardation Services: Efforts to provide financial aid to local community service boards for implementing mental retardation services.

4459900. Other Services: Efforts not specifically described in the previous subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

4460000. Family Access to Medical Insurance Security Plan: Efforts to provide health care coverage for needy children. [Rev. eff. 4-8-02]

4460100. Pilot and Demonstration Services: Efforts to provide health insurance for needy children through pilot and demonstration services. [Eff. 4-2-97]

4460200. Family Access to Medical Insurance Security Plan Payments: Efforts to provide medical assistance payments to providers serving clients eligible for the Virginia Medical Security Insurance Plan. [Rev. 4-8-02]

4460300. Family Access to Medical Insurance Security Plan Administration: Efforts to administer children's medical assistance services. [Rev. 4-8-02]

4490000. Administrative and Support Services: Efforts to provide overall administrative and logistical support services.

4490100. General Management and Direction: Efforts to provide administrative management and direction.

4490200. Computer Services: Efforts to provide automated data processing services.

4490300. Accounting and Budgeting Services: Efforts to provide accounting and budgeting services.

4490400. Architectural and Engineering Services: Efforts to provide architectural and engineering services for an institution or university hospital.

4490500. Collection and Locator Services: Efforts to locate individuals for the purpose of collecting funds for support payments, delinquent accounts and/or other monies owed to the Commonwealth.

4490600. Filtration and Treatment Plant Operation: Efforts to operate and maintain filtration and treatment plants.

4490700. Food and Dietary Services: Efforts to provide food and dietary services to patients, prisoners, and students in an institution or university hospital (excluding higher education institutions).

4490800. Housekeeping Services: Efforts to provide housekeeping services for patients confined to hospitals or sanitariums.

4490900. Linen and Laundry Services: Efforts to provide laundry services for prisoners and students in institutions (excluding higher education institutions) and linen services for patients confined to hospitals or sanitariums.

4491000. Medical and Clinical Services: Efforts to provide medical and clinical support services in an institution or university hospital (excluding higher education institutions.)

4491100. Medical Management and Direction: Efforts to provide medical management and direction for hospitals and sanitariums.

4491300. Nursing Management and Direction: Efforts to provide nursing management and direction for hospitals and sanitariums.

4491400. Personnel Services: Efforts to provide personnel services.

4491500. Physical Plant Services: Efforts to operate and maintain physical plant facilities.

4491600. Planning and Evaluation Services: Efforts to provide planning and evaluation services.

4491700. Power Plant Operation: Efforts to provide, operate, and maintain power plants (for institutions and university hospitals which accrue specific costs outside of physical plant services, excluding institutions of higher education).

4491800. Procurement and Distribution Services: Efforts to provide procurement and distribution services.

4491900. Public Information Services: Efforts to provide public information services.

4492000. Records Retention and Word Processing Services: Efforts to provide records retention and word processing services.

4492100. Recreation Services: Efforts to provide active and passive recreational services, including the operation of activity centers for patients, prisoners, and students in institutions or university hospitals (excluding higher education institutions).

4492200. Residential Services: Efforts to provide residential (houseparents, cottage supervisors, or halfway house supervisors) services in institutions (excluding higher education and correctional institutions).

4492300. Security Services: Efforts to provide security services to facilities and grounds for institutions and university hospitals (excluding higher education and correctional institutions).

4492400. Teacher Management and Direction: Efforts to provide teacher management and direction for an institution or university hospital.

4492500. Training and Education Services: Efforts to provide training and education to state employees.

4492600. Transportation Services: Efforts to provide transportation services to patients, prisoners, or students in institutions or university hospitals (excluding higher education institutions).

4492700. Vessel Operation Services: Efforts to operate and maintain research vessels and similar watercraft.

4492800. Grant and Loan Administration: Efforts to administer grant and loan programs.

4499900. Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.).

45XXXXX, Standards Of Living Subfunction: Efforts to maintain or enhance the economic independence and self-sufficiency of individuals and/or families.

4500000, Social Services Research, Planning, and Coordination: Efforts to promote social services through research, planning, and coordination in support of the economic, social, and physical well-being of the individual and/or family.

4500100, Social Services Coordination: Efforts to provide social services assistance and counseling.

4500200, Social Services Information: Efforts to link citizens with needs to appropriate resources through the provision of information and referral services as well as through educational materials and training for special purposes or clients.

4500300, Social Services Research and Planning: Efforts to identify, collect, and evaluate data on social services with special purposes or clients.

4509900, Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

4510000, State Administration for Standards of Living Services: Efforts to provide state administration for financial assistance and social service activities which maintain or enhance the economic independence and self-sufficiency of individuals and/or families.

4510100, Regional and Areawide Assistance Administration: Efforts to provide state administration for regional and areawide assistance which maintains or enhances the economic independence and self-sufficiency of individuals and/or families.

4510200, State Administration of Financial Assistance for Standards of Living Services: Efforts to provide state administration for financial assistance which maintains or enhances the economic independence and self-sufficiency of individuals and/or families.

4510300, State Administration of Social Services for Standards of Living: Efforts to provide state administration for social services which maintain or enhance the economic independence and self-sufficiency of individuals and/or families.

4510400, Community Services Block Grant: Efforts to provide financial assistance to community service agencies that, in turn, deliver self-help services to low-income citizens.

4510500, Financial Assistance to Localities for Social Services: Efforts to provide social services through grants to localities to protect, maintain, and enhance the self-sufficiency and economic independence of individuals and families. [Eff. 7-1-93]

4511000, Individual and Family Economic Independence Services through State Administration for Standards of Living Services: Efforts to provide social services through funding to localities to enhance self-sufficiency and economic independence of individuals and families. [Eff. 7-1-96]

4519900, Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

4520000, Temporary Income Supplement Services: Efforts to provide temporary income supplements to individuals and/or families.

4520100. Temporary Assistance to Needy Families: Efforts to provide temporary income supplements to needy families. [Rev. 7-1-98]

4520200. Crime Victim Compensation: Efforts to provide payments compensating eligible individuals who have suffered as the result of a crime.

4520300. General Relief: Efforts to provide general relief payments to eligible individuals (including legislative relief bills).

4520400. Resettlement Assistance: Efforts to provide resettlement assistance to refugees.

4520500. Aid to Dependents of Offenders: Efforts to provide court-ordered payments to dependents of offenders.

4520600. Emergency Assistance: Efforts to provide emergency or seasonal financial assistance to or on behalf of individuals and families.

4520700. Unemployed Parent Supplements: Efforts to provide income supplements to unemployed parents with dependent children.

4521000. Individual and Family Economic Independence Services through Temporary Income Supplement Services: Efforts to provide diversionary cash assistance to families with dependent children to enhance self-sufficiency and economic independence of individuals and families. [Eff. 7-1-96]

4529900. Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

4530000. Protective Services: Efforts to provide services to care for and to protect the rights and futures of individuals.

4530100. Foster Care: Efforts to provide foster care for children (including feeble-minded) and adults.

4530200. Protection of Children and Youths: Efforts to protect children and youths from abuse and neglect through the promotion of their welfare.

4530300. Financial Assistance for Child and Youth Services: Efforts to provide financial aid for comprehensive services for at-risk youth. [Eff. 7-1-93]

4530400. Aftercare Services for Youth: Efforts to provide non-residential and residential services for youth who are returning from learning centers to the home community. [Eff. 7-1-93]

4530500. Comprehensive Services Act Administration: Efforts to assist local multi-agency organization to develop comprehensive service plans. [Eff. 7-1-98]

4539900. Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

4540000. Rehabilitation Assistance Services: Efforts to provide physical, mental and social rehabilitation services to individuals and their families.

4540100. Physical Adjustment Services: Efforts to provide services to assist individuals in adjusting to physical disabilities.

4540200. Restoration Services: Efforts to determine eligibility, make payments, and evaluate services to the handicapped.

4540300. Social and Personal Adjustment Services: Efforts to provide social adjustment services to assist in adjusting to society and community life.

4549900. Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

4550000, Individual Care Services: Efforts to provide services to assist the individual in caring for and improving himself/herself.

4550100. Companion Services: Efforts to provide companion services to handicapped and aged individuals.

4550200. Day Care Services: Efforts to provide day care services.

4550300. Other Individual Care Services: Efforts to provide other individual care services (including counseling, information, referral, etc.).

4550400. Financial Assistance for Local Services to Elderly: Efforts to provide financial aid and assistance to local Area Agencies on Aging for the purchase or provision of services to the elderly.

4550500. Financial Assistance for Case Management and Related Services: Efforts to provide financial assistance to local entities for case management and related services. [Eff. 7-1-93]

4559900. Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used with the prior written approval of the Department of Planning and Budget.)

4560000, Medical Assistance Services (Medicaid): Efforts to provide services to and payment on behalf of eligible individuals enrolled in the Medicaid Program. [Rev. eff. 7-1-91]

4560100. Hospitalization and Outpatient Services for Indigent and Medically Indigent: Efforts to provide hospitalization services and payments for the indigent and medically indigent.

4560200. Medical Assistance Administration: Efforts to administer medical assistance services. [Rev. eff. 7-1-90]

4560300. Mandatory Health Professional Services: Efforts to reimburse providers of professional services for federally mandated services provided to eligible recipients enrolled in the Medicaid Program.

4560400. Mandatory Institutional Services: Efforts to reimburse providers of inpatient and outpatient hospital and skilled nursing home services for federally mandated services provided to eligible recipients enrolled in the Medicaid Program.

4560500. Nonmandatory Health Professional Services: Efforts to reimburse providers of professional services for federally nonmandated services provided to eligible recipients enrolled in the Medicaid Program.

4560600. Nonmandatory Institutional Services: Efforts to reimburse providers of intermediate care nursing, ambulatory surgery, rehabilitation hospital facilities and other services for federally nonmandated services provided to eligible recipients enrolled in the Medicaid Program. [Rev. eff. 7-1-90]

4560700. Nonmandatory Mental Health and Mental Retardation Services: Efforts to reimburse state mental health and mental retardation providers for federally nonmandated services provided to eligible recipients enrolled in the Medicaid program. [Eff. 7-1-90]

4560800. Nonmandatory Mental Health, Mental Retardation and Substance Abuse Community Based Services: Efforts to reimburse state mental health, mental retardation and substance abuse community services providers for federally mandated and nonmandated services provided to eligible recipients enrolled in the Medicaid program. [Eff. 7-1-90]

4560900. Professional and Institutional Services: Efforts to reimburse providers of professional and institutional services provided to eligible recipients enrolled in the Medicaid Program, excluding direct reimbursement to mental illness providers, state mental health and mental retardation providers and state mental health, mental retardation and substance abuse community services providers. [Rev. 7-1-95]

4561000. Mental Illness Services: Efforts to reimburse mental illness providers who are nonstate mental health, mental retardation, and substance abuse providers for federally mandated and nonmandated services to eligible recipients enrolled in the Medicaid program. [Eff. 7-1-95]

4561100. Medical Assistance for Low-Income Children: Efforts to provide medicaid medical assistance payments to providers serving clients eligible for Medicaid but who qualify for enhanced federal funding under the Commonwealth's Title XXI grant. [Rev. 7-1-02]

4561200. Virginia Children's Medical Assistance Administration (SCHIP-Medicaid): Efforts to administer children's medical assistance services. [Eff. 7-1-98]

4561300. Medical Assistance Services Cost Containment: Efforts to contain costs for medical assistance services through services providers. [Eff. 7-1-02]

4569900. Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.) [Eff. 7-1-90]

4570000. Nutritional Services: Efforts to promote better nutrition and improve the nutritional level of the diet of citizens through the distribution of quality food products.

4570100. Congregate Meals: Efforts to provide meals in a group setting.

4570200. Food Distribution Services: Efforts to distribute USDA donated commodities to schools, other institutions, and the elderly to provide market assistance for agricultural products.

4570300. Home Delivered Meals: Efforts to provide meals to homes.

4570400. School Food: Efforts to provide technical and financial assistance to local school divisions for school food services.

4570500. Nutritional Assistance: Efforts to assist eligible individuals in obtaining better nutrition through the provision of a voucher system, using stamps, coupons, or the like, for the purchase of certain foodstuffs.

4570600. School Food Administration: Efforts to provide technical assistance and supervision to local school divisions for school food services.

4570700. School Food Payments: Efforts to provide financial assistance to local school divisions for school food services.

4579900. Other Services: Efforts not specifically described in the preceding subprogram(s) but which relate directly to the program described. (This subprogram may be used only with the prior written approval of the Department of Planning and Budget.)

4580000, Housing Assistance Services: Efforts to provide housing assistance services to individuals and groups of individuals seeking or providing residential shelter.

4580100. Housing Assistance: Efforts to provide technical counseling and financial assistance to low and moderate income families and housing sponsors in matters related to home ownership and rental housing (management).

4580200. Housing Information: Efforts to provide information and educational materials and services on housing.

4580300. Housing Research and Planning: Efforts to identify, collect, and evaluate data on housing and housing needs.

4580400. Shelter Payments: Efforts to provide direct and indirect payments to individuals or families for housing.

4580500. Financial Assistance for Housing Services: Efforts to provide financial aid to support housing assistance services in localities. [Eff. 7-1-93]
